Application Requirements

Candidates must complete the online application (<http://wit.edu/apply/>) and submit the following materials:

- **Statement of Purpose/Objectives:** 500-1000 words (refer to the application for program-specific prompts)
- **Resume or Curriculum Vitae (CV)**
- **Recommendation Letters:** With your application, you should submit the names and titles, and contact information of people willing to submit a reference for you.
- **Official Transcript(s):** All external applicants must submit an official transcript from all institutions attended after high school graduation. All transcripts of coursework completed outside the United States must be evaluated by CED, Center for Educational Documentation; WES, World Education Services, Inc., or SpanTran (The Graduate Admissions Office will obtain transcripts of internal candidates from Wentworth on their behalf)
- **Application Fee:** A non-refundable \$50 fee is required.

- **Design Portfolio (M.Arch Only):** Portfolios (<https://wit.edu/academics/architecture-design/degrees/masters/architecture-march/requirements/>) are required for applicants to all three M.Arch program tracks. Portfolios should include work that demonstrates your proficiency in architecture and/or other visual media; they should reflect the full range of your creative, research, and technical skills.
- **Proof of English Proficiency** (for non-native English speakers): Please review Wentworth's English proficiency requirements (<http://wit.edu/admissions/international-student/english-proficiency/>). International applicants will also be required to submit proof of financial support.

All materials are to be submitted electronically; letters of recommendation may be submitted either electronically or by mail to:

Admissions Decisions

Completed applications are reviewed by the academic unit. Applications are accepted for the fall and spring semesters and are reviewed on a rolling basis. Notification on the outcome of the admissions process occurs on a rolling basis for admission to the following semester. Wentworth Institute of Technology reserves the right to be the exclusive judge of the acceptability of any applicant for admission to its programs of study. All acceptances are contingent upon successful completion of the specified undergraduate degree program and maintenance of the minimum GPA standard. The decision of the graduate committees related to all aspects of admissions is final. Deposits of \$250 are required to accept your offer of admittance and are non-refundable. Graduate students may not defer their start term. If they wish to change their start term, they must reapply for that term.

The recommended undergraduate GPA is 3.0. The admissions committee may request other material if the GPA is below 3.0.

Records Maintenance and Disposal

All application materials will be stored and maintained digitally for one year. Materials older than one year will need to be resubmitted if an applicant wishes to apply again for a future term. All admission documents, including academic records sent from other institutions, become part of the official college file if an applicant enrolls at the institution.
