

DISTANCE STUDENTS

Verification of Student Identity

The Higher Education Opportunity Act (HEOA) requires institutions that offer distance education courses or programs to have processes in place to ensure that the student registering for the course is the same student who submits work, participates, and/or receives course credit. At Wentworth Institute of Technology, all students registering for a course utilize their WIT ID, which corresponds with the specific username of each student. Each student is given a temporary password to login for one-time use, and upon successful login, is immediately required to change the password. Students can change the password thereafter at any time, but are required to change the password every 180 days. The logins utilize Microsoft Active Directory to authenticate the user. The password must be a minimum of eight characters using an alpha numeric combination.

While no one method can ensure students taking an online course are completing the coursework themselves, WIT learning and teaching practices help to promote academic honesty. Every WIT student must adhere to the Student Code of Conduct, (as published in the Student Handbook (<https://wit.edu/student-life/student-affairs/student-handbook/>)), the Wentworth Creed, and all published Wentworth policies and procedures about his/her character. In addition, online faculty work closely with instructional designers to develop and implement a variety of assessment tools/methods in their courses. Where appropriate, these include research and writing assignments, discussion board participation, independent and group projects, and quizzes.

Notice of New Student Complaint Procedures for Online (Distance) Students

Wentworth Institute of Technology adheres to the Interregional Guidelines for the Evaluation of Distance Education established by the Council of Regional Accrediting Commissions (C-RAC). To that end, Wentworth has in place effective procedures through which to ensure that the student who enrolls in an online (distance) education course or program is the same student who participates in and completes the course or program and receives the academic credit.
