

CONSTRUCTION MANAGEMENT MINOR

The Construction Management minor (MCON) provides students with a greater knowledge of the built environment in a way that complements their technical field of study.

To earn the minor, the student must complete four required core courses and an additional 6-8 credits of Construction Management elective coursework (*total of 18-20 credit hours for MCON Completion*).

Required Courses

Course	Title	Credits
CONM1200	BUILDING CONSTRUCTION	4
CONM1525	INTRODUCTION TO BUILDING INFORMATION MODELING (BIM)	2
