

DIGITAL ACCESSIBILITY

This policy is intended to ensure that all digital content and the systems that contain them, can be equitably accessed by all users. All content creators are responsible for ensuring such equitable access. Similarly, if a user of Wentworth controlled information encounters a barrier, they are encouraged to report the barrier at <https://wit.edu/about/contact-us> (<https://wit.edu/about/contact-us/>) or to use the form found in the footer of the Wentworth website under “Report a Web Accessibility Concern.”

For more information see the complete Digital Accessibility Policy (<https://wit.edu/about/policies/digital-accessibility-policy/>).
