

STORM CANCELLATION

Whenever inclement weather is a factor, all students, faculty, and staff are encouraged to check the Institute's website ([wit.edu \(https://wit.edu\)](https://wit.edu)) or their email for information pertaining to the status of the campus.

Additionally, every effort will be made to make an announcement on radio stations WRKO (680 AM) and WBZ (1030AM), and TV stations WBZ (Channel 4), WCVB (Channel 5) and WHDH (Channel 7), as well as Institute social media channels.

When feasible, the decision to remain open, delay the opening, cancel classes, or close the Institute will be made as early as possible. Please do not call Public Safety for this information, as it may detract from their addressing more serious matters.
